

INDEX TO VOLUME I. 1915.

ORIGINAL ARTICLES

	PAGE
Adenoids, Effect of, on the Dental Arches. T. G. Duckworth.....	247
Angle's New Appliance, Report of Cases Treated with. A. H. Ketcham.....	422
Angle's New Pin and Tube Regulating Appliance, Report of a Class II, Division 2 Case, Treated with. A. H. Ketcham.....	1
Bands, Molar, Plain and Clamp. M. Dewey.....	82
Case History. H. C. Pollock.....	370
Case History from Practice. H. G. Tanzey.....	577
Case Report. R. C. Willett.....	199
Class II, Division 1 Case, Treatment of. W. G. Barr.....	572
Classification, A Short Note on. J. S. Wallace.....	126
Classification of Dento-Facial Deformities. B. E. Lischer.....	291
Classification of Malocclusion. M. Dewey.....	133
Deciduous Teeth, Results of the Premature Loss of. H. F. Hoffman.....	47
Deflected Nasal Septum, The Etiology and Treatment of Some Types of. M. Dewey....	547
Deformities of the Face and Upper and Lower Jaws Due to Nasal Obstruction. M. Collier.....	58
Delayed Eruption of an Upper Central Incisor. M. Dewey.....	272
Dental Roentgen Reports. E. H. Skinner.....	361
Development of the Head. F. Hecker.....	515
Failures, A Word About. F. R. Woods.....	510
Habit. A. L. Johnson.....	71
History of Orthodontia. B. W. Weinberger.....	447, 527, 561, 623
Inclined Plane, Some Uses of the. A. H. Suggett.....	243
International Portrait Series. B. E. Lischer.....	45
Judgment in Orthodontics. E. A. Bogue.....	354
Ligature Jack. L. S. Lourie.....	263
Loop Regulating Appliance. M. Dewey.....	478
Malocclusion and Mouth Breathing. W. F. Taylor.....	512
Malocclusion of the Teeth of Children, The Consideration of Constitutional Disorders as an Etiologic Factor in. J. D. McCoy.....	431
Malrelation of the Jaws, Instances of Operative Correction of. V. P. Blair.....	395
Models, Duplicating Orthodontia. J. A. C. Hoggan.....	357
Modern Orthodontia in Principle and Practice. W. O. Talbot.....	484
Mouth Conditions of Patients Suffering from Stomach and Intestinal Disturbances, A Study of. B. Truesdell and W. H. Mick.....	459
"Open Bite" (Mordex Apertus Carabelli): Its Etiology and Treatment. G. Lind.....	255
Oral Deformities, The Cause and Effect of. A. C. Gifford.....	606
Oral Deformities, The Surgical Correction of Certain Types of. M. N. Federspiel.....	595
Oral Prophylaxis in the Practice of Orthodontia. W. H. Bolton.....	321
Orthodontia as Viewed by A General Practitioner. B. L. Thorpe.....	18
Orthodontia in Smaller Communities. W. A. McCarter.....	265
Orthodontia, Some Points of Interest on. J. W. Rawlings.....	30
Orthodontic Literature for 1914, Review of. J. R. McCoy.....	325
Positive and Painless Tooth Movement, A System of. R. D. Robinson.....	497
Practical Orthodontics. B. E. Lischer.....	191
Rachitic Skulls of Monkeys, Review of Some Studies of. F. Hecker.....	612
Regulating Appliances, Adjustment of. T. G. Duckworth.....	28
Relation of Orthodontia to Dentistry. F. B. Noyes.....	602
Removable Lingual Retaining Wire. A. Fernald.....	329

	PAGE
Report of Three Orthodontia Cases. W. G. Barr.....	22
Rhinologist and the Orthodontist, Some Points of Common Interest to the. Daniel M'Kenzie.....	9
Rhinology and Orthodontia, The Relationship between. D. W. Myers.....	86
Rickets, Important of, to the Orthodontist. F. Hecker.....	373
Working Retainer. G. B. Steadman.....	190
